Staying safe on Facebook

With over 1 billion daily active users, Facebook is the world's most popular social networking site. It helps people stay connected, especially when they're in different parts of the world. However, it has also been the subject of some privacy concerns. In this presentation, we show you how, when used with proper care, Facebook can be an enjoyable source of entertainment and a great way to connect.

The presentation will cover:

- What you can do on Facebook
- Taking control of your privacy settings
- Common Facebook scams
- How advertising works on Facebook
