All you need to know about data and public Wi-Fi

Whether you are using the internet at home or on your mobile when you're out and about, everything you do online uses data. Knowing how and when to use your mobile data or Wi-Fi can help you stay safer online and save money.

The presentation will cover:

- How to get the best value for money from your mobile data plan
- How to manage your data allowance
- How to keep your data costs down while out and about
- How to use public Wi-Fi safely
