# Staying safe on Facebook

Want to learn about the features of Facebook and how to keep safe? Join our free live streamed presentation for older Australians, hosted by the eSafety Commissioner.

With over 2.9 billion active monthly users, Facebook is the world's most popular social networking site. In this presentation we show you how Facebook can be an enjoyable source of entertainment and a great way to connect, if it's used with proper care.

## Join our presentation to learn:

- what you can do on Facebook
- how to take control of your privacy settings
- common scams on Facebook
- how advertising works on Facebook
