

Free online presentation

Be Connected

Every Australian online.

Selling safely online

Want to sell second-hand items or other goods online? Find out how to get started by joining a free live streamed presentation for older Australians, hosted by the eSafety Commissioner.

With popular online selling platform such as eBay, Facebook Marketplace and Gumtree, selling online has never been easier. But before you get started, learn some simple tips and tricks to help you sell confidently and safely online.

Join our presentation to learn:

- what to sell online
- how to get started on the top three online selling platforms
- how to open a PayPal account and accept payments
- how to keep yourself safe while selling online
