Useful tips for using your Android phone

Want to learn how to get the most out of your Android phone? Join a free live stream presentation for older Australians, hosted by the eSafety Commissioner.

Smartphones can help make your life easier by providing access to important information, online services and entertainment. Find out how to do more with your Android phone by exploring its settings and more.

Join our presentation to learn:

- Android phone features, settings and shortcuts
- ways to access, view and delete notifications
- how to change your passcode and block nuisance calls
- accessibility features and how to adjust them
- how to share photos with others.
