Every Australian online.

Protecting your personal information online

Want to learn how to protect your personal information online? Join a free live stream presentation for older Australians, hosted by the eSafety Commissioner.

Nearly every app, social media platform or website asks you for some personal information. Personal information includes your name, email address and phone number. It's important to always think twice about sharing personal information.

Join our presentation to explore:

- why information privacy matters
- how to keep your information secure
- impersonation scams to look out for
- where to go for help.
