Be Connected

Every Australian online.

iPhone basics

Want to learn the basics of how to use your iPhone? Join a free livestream presentation for older Australians, hosted by the eSafety Commissioner.

iPhones not only help you stay connected with others, but they make life easier by providing access to information, online services and entertainment. Get the most out of your iPhone by exploring its features and settings.

Join our presentation to learn:

- iPhone features, settings and shortcuts
- Ways to access, view and delete notifications
- How to change your passcode and block nuisance calls
- Accessibility features and how to adjust them
- How to share photos with others.
