

Connecting to others

Although it may be necessary for you to physically isolate yourself from other people during the coronavirus outbreak, it's vital to stay in touch with friends and family.

You can make video calls, send typed or instant messages and share photos and written updates with your friends on social media services. Being in touch with friends and family will help you to stay connected and feel less isolated.

The presentation will cover:

- how to set up for video calling
- how to use Skype
- how to use WhatsApp
- how to use FaceTime.
